

ARCHDIOCESE OF CINCINNATI
CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT (CCHD)
LOCAL GRANT RECIPIENTS
2023 – 2024

Churches Active in Northside (CAIN) (CINCINNATI) <https://cainministry.org/>

Guest Led Anti-Poverty Initiative - The grant will help develop a guest led anti-poverty initiative aimed at transforming the existing Guest Advisory Board into an active group of CAIN guests engaged in individual and community advocacy to champion public policies that reduce poverty.

Communities United for Action (CUFA) (CINCINNATI) <https://www.cufacincy.org/>

United for Better Stormwater Management - The grant will support work to organize people from low and moderate-income neighborhoods to advocate for comprehensive stormwater management and to push public officials to design a program to assist residents who have been harmed by overland flooding.

Community Matters (CINCINNATI) <https://cmcincy.org/>

Justice League - The grant supports efforts to build positive mentorship relationships, leadership opportunities, and restorative justice interventions via one-on-one partnerships with thirty-five (35) at risk teens and young adults in Lower Price Hill.

Drive to Thrive (CINCINNATI) <https://www.drivetothrivecincy.org/>

Transportation Independence - The grant supports an empowerment program that works to create economic mobility by developing the ability of at least twelve (12) people to thrive through transportation independence.

El Puente Educational Center (DAYTON) <http://elpuentedayton.org/>

Latino Community Services Project - The grant supports the Project's ability to assist the immigrant Latino population by connecting them with food resources, medical services, employment opportunities, and educational options.

Mission of Mary Cooperative (DAYTON) <https://www.missionofmary.org/>

Neighborhood Food Council-Empowering Neighbors and Growing Together - The grant will support the increase in the number of neighbors who have gardens and the creation of The Neighborhood Food Council that aims to empower neighbors and promote self-sufficiency by helping them grow their own food.

Oasis House (DAYTON) <http://oasisforwomen.org/home/>

Women of the Roundtable Project and Beyond - The grant will support this effort to meet the immediate needs of abused and sexually exploited women who are in treatment for substance disorders or incarcerated.

Society of St. Vincent de Paul (SPRINGFIELD) <https://www.svdpspfld.org/>

Bilingual Community Navigator - The grant will provide continued support of a Bilingual Community Navigator position to case manage the growing Haitian population in Clark County.
