In this sample, Mary has earned her 10 credits. 8 credits were earned through the online courses in the VOCARE system. 2 credits were brought. 1 credit from her teacher in-service day (5 hours), and one credit from a retreat she attended (4 hours). The CEUs for these will be submitted through the traditional format.					
OH2468930	Travis Brown		10	10	0

*The Vocare system allows teachers to "bring in" up to 3 credits for religious formation experiences that are not completed within the online system. For example: retreats, religious in-service days, etc. To allow teachers to earn the full number of CEUs for these experiences, these will be subtracted from the Vocare CEU document and teachers may submit these through the standard CEU format, allowing teachers to earn the actual number of hours/CEUs for these religious formation experiences.
