**PRINCIPAL BULLETIN**  
November 10, 2020

*Mission of the Catholic Schools Office: The Catholic Schools Office, driven passionately by faith in Christ, provides leadership, service, oversight, and support to the Catholic schools of the Archdiocese of Cincinnati.*

**A Prayer for Our Veterans**

Loving God, We ask for blessings on all those who have served their country in the armed forces. We ask for healing for the Veterans who have been wounded, in body and soul, in conflicts around the globe. We pray especially for the young men and women, in the thousands, who are coming home with injured bodies and traumatized spirits. Bring solace to them, O Lord; may we pray for them when they cannot pray. We ask for, echoing John Paul II, an end to wars and the dawning of a new era of peace, as a way to honor all the veterans of past wars.

Have mercy on all our Veterans. Bring peace to their hearts and peace to the regions they fought in. Bless all the soldiers who served in non-combatative posts; May their calling to service continue in their lives in many positive ways.

Give us all the creative vision to see a world which, grown weary with fighting, Moves to affirming the life of every human being and so moves beyond war. Hear our prayer, O Prince of Peace, hear our prayer.

Amen.

**Remote Learning Example Schedules**

[CLICK HERE](#) to view a document I put together as a response to requests from schools for examples of schedules and instructional minutes if they have a need to go remote at any time throughout this school year. This is meant as a reference only, not a suggestion or mandate. I'm happy to meet with individual schools to work through any questions or challenges you are encountering.

**CARES Funding Update (NEW)** – I'm glad to hear that so many of you have been able to capitalize on the various CARES Act funds available. Continue to work with your LEA to use your ESSER funds. Many of you have shared with me information from your consultation meetings. Thank you for keeping me in the loop. A reminder that ESSER funds do not need to be officially expended until 2022.

With regards to the CRF and BroadBand grants, both are **reimbursement** grants. This was not necessarily clear when these grants were initially released and has caused some confusion, for which I apologize. To utilize funds from these two grants be sure to keep proof-of-purchase documentation and complete and submit the PCR once you're ready to process your reimbursement. For both grants the funds must be purchased by December 30, 2020 (next month). I would suggest not waiting until the last minute to complete your purchase. Delivery need not occur before December 30 (i.e. backorder on Chromebooks into January), but the **purchase** must meet the December deadline.

If you need assistance with the DUNS, SAM or PCR process, please let me know.
