**How do I hire the best candidate for my Family of Parishes?**

**How do I grow and develop my employees to their greatest potential for service in our Family of Parishes?**

**How do I help them move gracefully from our Family when that time has come?**

These are the principal questions and topics that our archdiocesan Human Resources team will address at our next workshop for Pastors and Family of Parish Directors. Pastors and all those who supervise Family of Parish staff will benefit from the program.

Spend an afternoon with our expert Human Resources Dept staff, dedicated to equipping and updating our Family of Parish directors in the most effective way possible to find, hire and develop our most precious resources – our Family of Parish employees.

**Choose a location nearest you and register all managers and supervisors from your Family of Parishes for \$24 TOTAL.**
