

ONLINE *Giving* Options for Parishes

When looking at online giving, it is up to each parish to decide which vendor works best for their online giving pages. However, below are some options as a place to start if you do not have online giving currently set up at your parish. Also included is a listing of parishes in our Archdiocese that use each of the vendors listed. Please feel free to reach out to these parishes to learn about their experience with their particular vendor.

This list is not meant to be exhaustive nor an official endorsement of the Archdiocese of any of these products or services. For assistance or questions in establishing online giving at your parish, please contact David Kissell, Director of the Stewardship Department, at (513) 263-3381 or email dkissell@catholiccincinnati.org.
