Pastor

Father Fox

Where are the Advent books? Again this year, our team ordered Advent reading material for adults and children. You will find the booklets in the back of each church, and we ask that you take one per family.

Plan for Christmas books. This year our staff and I decided not to give away books on Christmas. We discovered in follow-ups with parishioners that most of the time, people take but do not read the books. So, we're trying something different. Those who signed up for the Eucharistic Revival sessions are receiving 33 Days to Eucharistic Glory. After hearing their reactions, we'll look at distributing that more widely.

Father Bishop

Year Two Beacons of Light Report- On the following pages you will find our year two Beacons of Light Pathway report. This report is intended to give you an overview of the last year in our parish family, as well as the phases of the Beacons of Light pathway.

We're pivoting. You will see examples of the dedication of our volunteers and staff who do so much to make our family stronger. You'll see details on numbers of people served, meals provided, and how many are touched by Christ in the sacraments. But you'll also see how the emphasis is from inward to outward. Last year we focused on identifying a vision for our future self and our mission forward. During the next year, you'll hear a lot about cultivating a culture of welcome. Your task and mine must be to open wide our doors to all who hunger for Christ.

Father Howard

Let us hear from you! Your involvement and observations will be so helpful in the coming year as we take final steps to unite our three parishes into one legal entity. You will continue to see information shared in the bulletin and on the parish website, and we will have some meetings as well in 2025. Please review the Year Two report and share it with others, and let me know what you think.

Advent at the St. John Paul II Parish Family

Intercede

For that person with the Holy Spirit

Pray for the grace to be able to accompany the person whom the Lord has laid on your heart. Now that the Lord has identified a person whom you know, commit to pray for them for a specific period of time, asking God to open the opportunity for a conversation. Pray for any struggles the person might be facing with brokenness or sin, and for any obstacles that might impede this person from drawing closer to Jesus and exploring the Catholic faith more deeply.

Getting Started

- Write down the person's name on a sticky note and keep it in your wallet to remember during prayer
- Ask for God to open the heart of the person you are called to meet, to be receptive to him
- Offer a Mass or a holy hour for the person

It only takes *one* encounter.

Year 2

Family Pathway Report

2024

St. John Paul II
Parish Family

TIMELINE

Phase 2

VISION

A vision is a rallying cry for a vital and missionary Family of Parishes. Our family leadership team set aside time to collaborate with members of our parish family to cast this vision in a two-part Visio Day and the Family Visioning Process. This mission and vision statement is currently being finalized and will be sent to our pastoral advisory committee to accept and adopt. It will then be shared with our parishioners and will be used as a guiding light for our future!

Phase 3

CULTURE

Vision only works if it is purposefully incorporated into parish life and ecclesial culture. The Culture phase will enable the FLT and other leaders to align their strategies and activities with the vision of a vital and missionary Family of Parishes. Beacons of Light is geared toward pursuing our God-given mission of sharing the Gospel throughout our archdiocese. Moving our parishes and parishioners into intentional, missionary discipleship is primarily a spiritual change that must be fueled by the Holy Spirit.

Coming Next...

Announcement and Adoption of our Mission & Vision

Aligning apostolate activities with the vision of the St. John Paul II Parish Family

Canonical Unification

So I think what you're seeing is that each of our parishes operating independently is behind us; by pooling our efforts, far more becomes possible. The bigger frame is that our family of parishes must become focused on evangelization: being more outward-focused, not just self-referential (to cite a point Pope Francis makes). What is our future? Only God knows, but it isn't beyond God's sight and God's providence. To the extent each of us responds with faith and action, our future becomes so much stronger.

John has been working with key volunteers from each parish to assist with scheduling lay liturgical ministers, including lectors, extraordinary ministers of Holy Communion, and altar servers. We have a focused effort on recruiting, training, and supporting our lay ministers. John hosted a lector training workshop, a joint musician meeting, and server training. In late November, we also held a hospitality meeting for our ushers, greeters, and safety team members!

We have decided that out of all the things we do as a parish, everything flows from the Eucharist, and everything flows back to the Eucharist. Therefore, our first priority is the dignity and beauty of our worship in Mass. - John Wright, Director of Worship

Chris and his team have formed "centers of excellence" for specific areas of formation, to include a close collaboration with the parish school for children's formation, and revamped meeting spaces for teens more conducive to deeper faith conversations. These centers allow us to roughly double the capacity of children and youth being served, as well as support the goal of raising up young leaders "and letting them run!"

Under construction is a graphic representation of the discipleship pathway, initially targeting adults at various stages of their faith journey. Soon we will map all of our adult faith formation offerings onto this pathway, in order to identify and close gaps.

Being faithful to a year-round "Becoming Catholic" apostolate, the Holy Spirit brings an average of 6-10 new inquirers to our doorstep every few months. And we've expanded and enhanced our sacrament preparation for children and youth in this growing parish family through a strategic investment in part-time staff.

LEADERSHIP

In living out the Leadership principle in the St. John Paul II Family of Parishes, we emphasize servant leadership, following Christ's example. We encourage collaboration through prayer and discernment, inviting all voices to contribute to developing our vision and mission. By mentoring emerging leaders within the community, we help them understand their unique gifts as part of the Body of Christ. We regularly participate in engagement activities, rooted in our faith, to strengthen our bonds and foster a spirit of charity.

FINANCE

- Our leadership team has consolidated giving 'buckets' so our parishioners can designate their gift to the programs and campus where they prefer more easily!
- Our finance office and Father Fox collaborated with the Archdiocese of Cincinnati to establish our St. John Paul II fund! This fund will allow parishioners to support the parish family with unrestricted gifts to be used where it is needed most.
- Our 2024-25 budget has been released to our parishioners and can be found on the following page.

“I think parishioners are seeing things unfold as they hoped, and that builds confidence,” Father Fox said. “They are witnessing the changes; it’s not just talk. They are notably understanding of the challenges and seem ready to help. This has made all the difference.”

- Father Martin Fox (quote from 'Leading Together' a June 2024 Catholic Telegraph interview)

OPERATIONS

PPRRSM

This past year we launched our Provision for Plant Replacement Renewal, and Special Maintenance (PPRRSM) fund. This fund is established to help us achieve excellence on our campus properties. The following projects were completed:

- St. Henry PAC Renovations
- St. Mary Parish Center Upgrades
- Our Lady of Good Hope Playground
- Safety & Security Upgrades (all campuses)
- Parking Lot Repairs (all campuses)
- Sump Pump replacement (St. Henry)
- Rooftop HVAC Units (BLS-St. Henry)
- New exterior lighting (St. Henry and OLGH)
- New IT/Telecom Systems (all campuses)
- New PA systems (BLS)

Our family of parishes, with our shared school, represents over \$6 million in annual activity, with 15 buildings on well over 50 acres of land. That's a valuable patrimony and we have some significant catching up to do in caring for it. And, as the founding generation of our parishes understood, the task of sharing our Catholic Faith relies on providing a place of welcome and worship; that's why they passed on these facilities to us, and now it is our task to do the same to the next generation.

Open Wide the Doors

Enhanced Offertory Success

One of the eye-openers for me in the last two years as pastor has been the great variety of activities in our family of parishes touching lives young and old. And yet, there is so much more to do! In October 2024 we officially launched our Open Wide the Doors program. Which will raise funds generated in our weekly offertory. These dollars help directly fund the work that we do, and affords us the opportunity to recruit and retain excellent staff to do this important work.
