

REFLECT ON YOUR PERSONAL WITNESS

Reflect on your own story of on-going conversion. Our journey is often marked by significant experiences of growing in faith. Use the following prompts to write about one of your experiences in which you grew in your faith.

- An experience or season of life in which you decided to follow Jesus in a more intentional way.
- A person or persons who inspired you to grow in your faith. Why and How?
- An experience in prayer (personal or liturgical) in which God inspired you in a life-changing way.
- An “a-ha!” moment in which a new understanding of the faith had a significant impact on your life.
- A time of trial or joy in your life in which God was present and caused new growth in faith.
