

Let's Spend Christmas Together

As Christmas approaches, people gather with family and friends, return to familiar traditions, and reflect on what matters most. Christmas Together is an opportunity for our parish to offer an extra measure of welcome and hospitality to everyone who walks through our doors this Christmas season.

Together, let's create a parish that feels like home, a community where every person is seen, welcomed, and invited into a deeper relationship with Jesus Christ. As we celebrate the birth of our Savior, we have a special opportunity to open our hearts a little wider. We never know who may be joining us for Christmas Mass, returning after time away, or searching for hope and community during the holiday season.

Please take a moment to prayerfully think of one person; a friend, neighbor, coworker, or family member, and personally invite them to Mass with you this Christmas. Offer to sit with them and help them feel at home. Your invitation could be the encouragement they need to reconnect with Jesus Christ and His Church.

We're better together.

Christmas TOGETHER
