Archdiocese of Cincinnati

Dear Andrea,

Our Sunday Visitor is proud to present this correlation of *Allelu* and *Alive in Christ* Parish and School Edition in support of your diocesan guidelines. *Allelu* is our most current early childhood program, and *Alive in Christ* is our most current basal series for grades 1-8. We are excited to partner with the parishes and schools in your diocese.

The three levels of *Allelu* (Ages 3-4, Ages 4-5, and Kindergarten) have been carefully correlated to the Religion Curriculum Guidelines from your diocese. Correlations are indicated for each content guideline. This correlation of *Allelu* provides references to

- o the lesson and page numbers in the Catechist/Teacher's Guide
- o The lesson and page numbers on the Child and Family Activity Sheets
- o Other relevant content from *Allelu*, such as music from the *Allelu* CD or additional online activities

Allelu is a Christocentric early childhood program with a focus on the life and teachings of Jesus. Other Bible stories and faith teachings are presented in the light and context of this Christocentric catechesis.

The methodologies, stories and activities used are based in research and practical experience regarding what is most engaging and beneficial to children this age. *Allelu* is developmentally appropriate. It includes child-directed activities in every lesson. Child-initiated activities (those the child can do autonomously) have been shown by decades of research (including recent research at Yale Child Study Center) to be critical in the development of self-regulation and self-control. This program is designed with particular attention to the brain development of kindergarten children. Because of this educationally sound and developmentally appropriate methodology, both the activities and music have been referenced, as the content is often presented through these means.

Allelu is also built upon the same 7 key catechetical themes as *Alive in Christ*: Revelation, Trinity, Jesus Christ, the Church, Sacraments, Morality, and Kingdom of God. The correlations to these 7 themes are found in the Scope and Sequence for each grade level in the *Allelu* Catechist/Teacher Guide. *Allelu* will provide a seamless transition to *Alive in Christ*.

Alive in Christ utilizes a completely unique and effective catechetical process that mirrors the divine pedagogy, forming children and their families in the truth and beauty of our Catholic faith. Its distinct focus on Sacred Scripture and Sacred Tradition is reflected in its comprehensiveness and use of precise theological language. *Alive in Christ* incorporates the most trusted research on how children learn and communicate. Definitions, activities, questions, visuals, and reading passages that teach these truths have been reviewed for developmental appropriateness.

Alive in Christ follows a systematic scope and sequence organized around key themes of Catholic teaching that repeat each year within a grade-level focus. As a result, some of the themes considered in your diocesan guidelines at a particular age level may not be covered at that specific time in our scope and sequence. They are, in fact, covered either in a previous or upcoming grade. In the occasional instance when a concept is not covered in our curriculum, the catechist is given a recommendation of when to include it in a related lesson.

If we can further partner with you in faith formation in any way, please do not hesitate to contact us.

May God continue to bless you and your ministry with both hope and joy.
