

# WITNESS TO LOVE

## What is Witness to Love?

*Witness to Love* is a virtues-based, Catechumenate model of marriage renewal and preparation that integrates modern principles of psychology and the virtues to help couples facilitate an authentic dialogue about their relationship.

## What makes Witness to Love different?

What makes *Witness to Love* unique is that the engaged couple chooses their own mentor couple. This is a couple they both admire and see as a source of faith formation. This mentor couple gives them a concrete connection and integration into the parish. Through the sharing of the mentor couples' own marriage journey, the engaged couple inherits a "lifeline" of support in their commitment to Jesus and His Church.

The key to *Witness to Love* is that engaged couples are invited to choose their own mentors. The mentors must meet some basic requirements. The married couple is trained to mentor the engaged couple. Unlike other mentor models there is no need to build trust in order for the marriage prep process to work – the trust already exists. Deep conversions, encounter with Christ, and renewal happen consistently for both the mentors and the engaged couple.
