

Time for a second choice:

Choose to accept God's love

And forgive yourself

A while ago, I made the decision to have an abortion. It was, after all, my right to choose. But now, as I look back on it, I realize that something else besides my baby died inside of me that day.

I made a private choice. But it became a secret burden.

If you feel this way, there's hope. Please call our confidential help line to speak with people who will not condemn you for your decision. Take the first step toward healing by calling:
