

TEACHER BULLETIN

Archdiocese of Cincinnati
Catholic Schools Office
November 5, 2020

We ask for your wisdom and grace for our kids' teachers as they prepare to lead their class each day. Equip them for every good work you have prepared ahead of time, we ask that your strength would fill them, that you would enable them to do all that they do with a heart of compassion and love that comes straight from you. Give them ability and effectiveness as they teach, fill them with creativity and passion for this very important role that you have called them to. We pray that you lead them by your Spirit in every decision that needs to be made, through preparation and planning, helping them to see every child through your eyes.

In Jesus' Name,
Amen.

New Vocare Courses Available! (From Vocare Support)

Gender Identity (4 Credits, \$28)

We are in the midst of a gender revolution. With unprecedented speed, new theories in the meaning of gender identity, gender expression, and their significance now dominate the media, workplace, schools, churches, and legislatures. Join Damon Owens in this course as we look at how, as disciples of Jesus Christ in general, and catechists in particular, we have a unique imperative to seek and "echo" the truth of gender not merely to the culture at large, but most importantly in our accompaniment with each unique, unrepeatable person that we encounter.

Encountering God's Love in the Sacraments (6 Credits, \$38)

You may be familiar with the seven sacraments, but have you ever thought of them as the expression of God's love for you? In this course, Dr. Michael Therrien will review the seven sacraments and show you how each of them are rooted in the biblical story of God's unfolding plan to enter into a loving relationship with all of mankind.
