

Congratulations to our resident educators on being in Year 4 of the Resident Educator Program!! THANK YOU to our mentors/facilitators! I hope that you are all having a wonderful start to your school year.

Mentors/Facilitators: If you are no longer working with your resident educator or he/she is no longer employed at your school, please email me so that I can remove you from our email list.

Resident Educators: Please follow the following directions for Year 4.

1. If you have a year of credit for Year 4 **AND** you passed your RESA last year, and you have your 5 Year License, you do not need to complete the Year 4 requirements. If you fall into this category, please email me so that I can remove you from our email list for this year.
2. All other Year 4 resident educators need to complete the resident educator Profile and the Leadership Activities (see attachment).

Due Dates:

Profile Form: Please complete this and return it to residenteducator@catholicaoc.org by September 20. This is the information we will use to register you with ODE for Year 4.

Leadership Form: Please complete this and return it to residenteducator@catholicaoc.org by March 15. This is the only requirement for Year 4, unless you are also retaking the RESA.

Have a wonderful day. My prayers and good thoughts are with you as you begin your school year.

Kathy Kane
Resident Educator Program Coordinator
