

# The OptumRx® App

How to get the most out of home delivery and your on-the-go pharmacy with the **OptumRx App**.

## Getting started

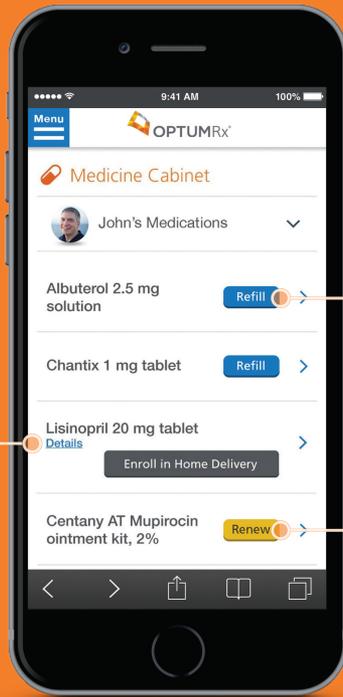

---

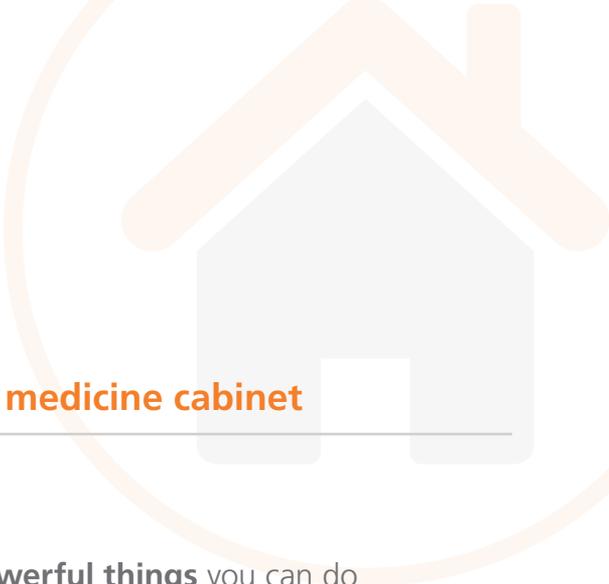

**Using OptumRx and home delivery has never been easier.**

**Manage your home delivery prescriptions** right from your phone or tablet with the **OptumRx App**. By downloading it from iTunes® or Google Play™, you've already taken the first step in having complete control over your personal pharmacy experience.

**Getting started is easy.** Once you open the app, you'll be able to see everything you can do right on your home page.

---

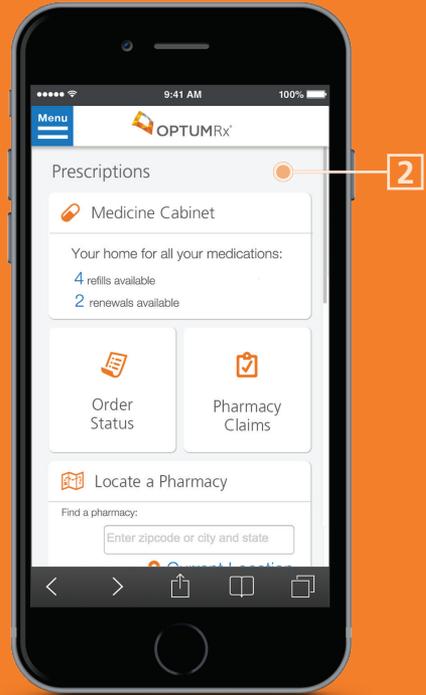

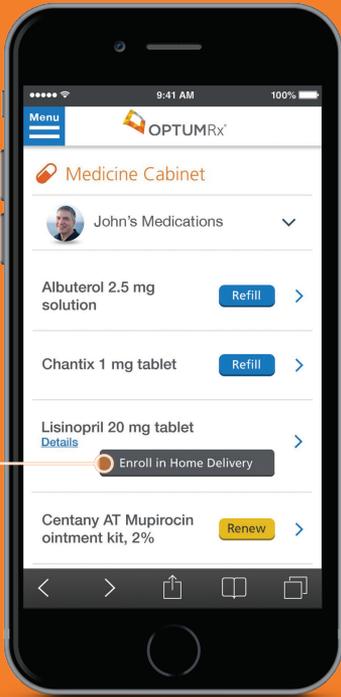

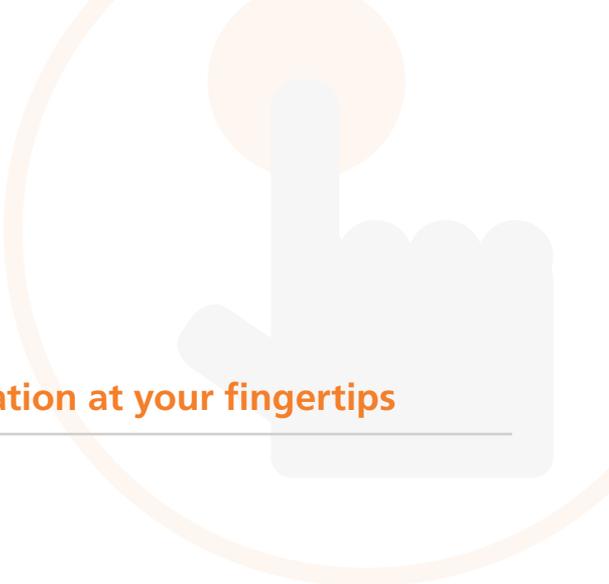

## Take control of your medicine cabinet

---

**Among the most powerful things** you can do with the OptumRx App is manage your home delivery prescriptions with a few simple taps on your screen. By following the brief instructions on each page, you'll be able to:

- 1** Refill a home delivery prescription
  - 2** View the status of your current prescriptions
  - 3** Renew home delivery prescriptions
-

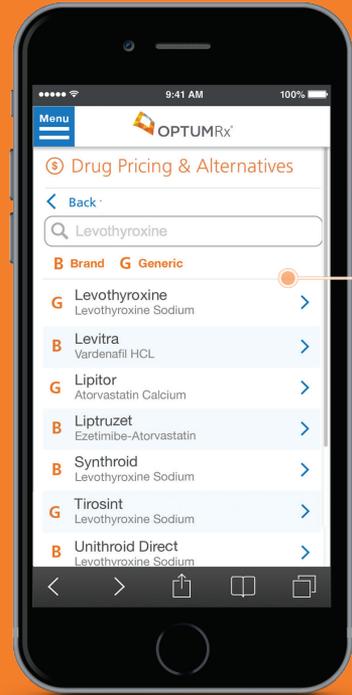

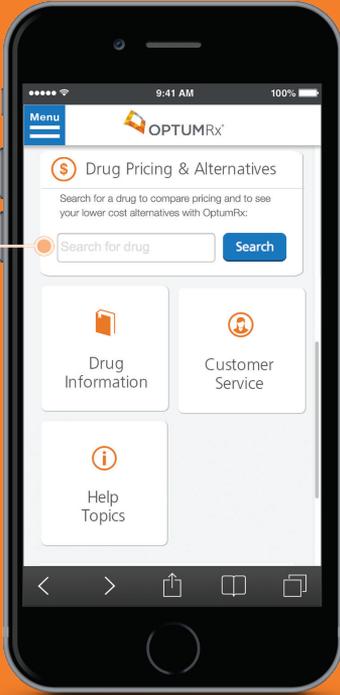

## Options and information at your fingertips

---

- 1 Renewing and refilling your home delivery prescriptions** are two of the ways you can take control of your medicine cabinet, but that's not all. You can also conveniently transfer prescriptions to OptumRx home delivery right from the app.
  - 2 From your personal OptumRx profile,** you can stay up to date on anything you need to know about your account. View your claims history, review order status and more.
-

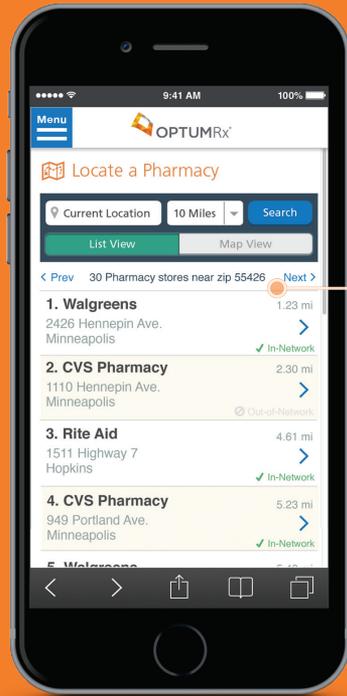

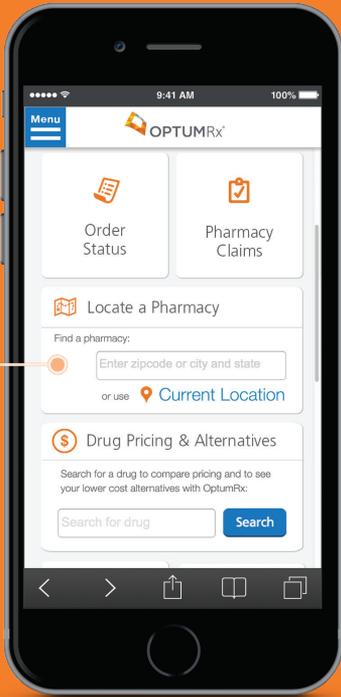

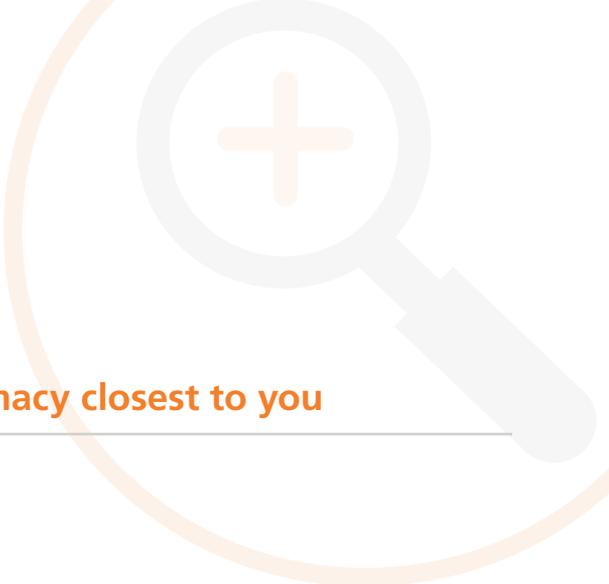

## Check medication pricing and find alternatives

---

**OptumRx has your best interests in mind**, so we made sure our app has the capabilities to make your personal pharmacy experience not only easier, but better. By following a few simple steps, you can compare medications and prices to see if lower-cost alternatives are available to you.

- 1 Search for your medication
- 2 Choose from a list of alternatives and prices

## Find the retail pharmacy closest to you

---

**There's not much you can't do** from the OptumRx App, but we know there are times you'll want to visit a retail pharmacy in person. Open the app's easy-to-use pharmacy locator to find a retail pharmacy near you.

- 1** Enter your location
- 2** Choose a pharmacy and get directions
