**Grandfathered Health Plan**

Anthem Blue Cross and Blue Shield believes this plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections of the Affordable Care Act apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Anthem Blue Cross and Blue Shield at the telephone number printed on the back of your member identification card or contact your group benefits administrator if you do not have an identification card. For ERISA plans, you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This Website has a table summarizing which protections do and do not apply to grandfathered health plans. For nonfederal governmental plans, you may also contact the U.S. Department of Health and Human Services at [www.healthcare.gov](http://www.healthcare.gov).
