² Appointments are subject to the availability of a therapist. Online counseling is not appropriate for all kinds of issues. If you are in crisis or having suicidal thoughts, it's important that you seek help immediately. Please call the National Suicide Prevention Lifeline 24/7 at 988, or dial 911 for help. If your issue is an emergency, call 911 or go to your nearest emergency room.

³ Excludes business, benefits, or employment issues. The free half-hour consultations apply per legal issue, per year. You are eligible for a new consultation for each new issue yearly. If you have Anthem health coverage, your cost for a visit may be similar to what you would pay for an office therapy visit, depending on your benefits, copay, or percentage of the cost. If you're not covered by an Anthem plan, you'll be responsible for paying the full cost for a visit.

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.

LiveHealth Online is offered through an arrangement with Amwell, a separate company, providing telehealth services on behalf of your health plan.
